

GIFTED AND TALENTED STUDENTS

WEB LINKS

There is a growing body of information available on the internet for parents about gifted and talented pupils. Amongst the many useful information, support and advice sites are the following:

Talented Young People Organisation

www.talentedyoungpeople.com

The website is jam packed with useful information and guides on how to further or pursue your talents. As well as a tips and advice section there is also an 'Ask an Expert' section where each week viewers on the website will be able to put their questions to an industry expert. There is a forum where young talented people can go to bounce ideas off each other and talk to other talented young people.
